

Wireless Motion Sensor Rechargeable LED Ceiling Light

Item # **MB980 R**

Key Features

- **Motion/Light Sensor:** The Ceiling Light instantly turns on when it detects motion from up to 20 feet away. The light sensor helps to prevent light from activating in daylight.
- **Easy to Install:** Quick and easy installation in under 15 minutes.
- **Energy Efficient:** Our high quality LEDs never need to be replaced. Typical efficiency will be 100 lumens per watt.
- **Bright LEDs:** The bright, powerful LED provides 200 lumens of bright white light. Designed with custom optics for the perfect intensity and focus.
- **Multipurpose:** Wireless Lights are great for emergency lighting applications: closets, pantries, stairways, sheds, porches and storage rooms.
- **Durable, Weather Resistant:** Tight seals and UV resistant material allow the Mr. Beams Ceiling Light to work in all weather conditions.
- **Embedded Rechargeable Batteries:** Powers the unit during power outages and blackouts when grid power is not available.
- **External Power Connection:** Connect universal 100 VAC to 240 VAC to grid power to power light and charge battery when grid power is available.

Light Output	Light Coverage	Batteries
200 Lumens	260 Sq ft	C 4x NiMH (included)
Auto Shut Off	3 Minutes	
Motion Sensing Range	10-20 ft
